Nutrition Program - Update

Daily Lunch / Daily Breakfast

Dear Parents & Guardians of Students of Mother Teresa School, St. Francis Xavier School, St. Louis School and St. Michaels' School,

We have been fortunate to have been able to offer the **Nutrition Program** (*Daily Lunch/Daily Breakfast*) this past year to all students at your child's school. We believe it has been a successful and worthwhile endeavour. We are grateful to our staff that have been able to effectively manage and deliver the program.

Medicine Hat Catholic Schools has been able to offer the **Nutrition Program** as a result of the Alberta government funding the costs.

However, due to the uncertainty of funding for the **Nutrition Program** for the 2019-2020 school year, **we will not be able to continue the program until we receive a budget from the Government of Alberta which details whether or not the Nutrition Program will be funded.** We anticipate receiving budget details in the fall of 2019 and will be in a position at that time to determine if the program will continue.

→ Please watch for an announcement about the **Nutrition Program** in the **Fall of 2019.**

Sincerely,

Joe Colistro, Superintendent of Schools
