If you are interested in purchasing a Chromebook for your child to use at school, Memory Lane is currently offering them at approximately \$249. This is NOT a requirement but, rather, an option. This would ensure that there are more than enough computers at all times when teachers might need to use them for different classes/subjects. Please note that the school does not assume responsibility for any lost, stolen, or damaged Chromebooks. Supplying your own would be at your own risk.
