Old Business:

Munch-a-Lunch: One left for the year and hoping Katie will step up as lead next school year as Kelly is leaving.

Grant Money: The sound bath was a really cool experience, would do it again.

Little Ceasars: There were about 10 kids that earned a prize however Little Ceasars informed us that instead of sending the allotted gifts that they would cut us a \$50 cheque instead. We decided that we will put in an additional \$50 to provide those kids with a \$10 gift card to Showcase in the mall so they can pick their own prize.

Cowboy Caviar: The invoice was paid today and will hopefully be shipped soon.

Fun Track/BBQ: The BBQ is a go thanks to the Kinsmen donation of their BBQ. We have a lot of volunteers for this event. Sarah will get the hamburgers, cheese, buns and water from Costco. Jenn L will be going to the Business Center Costco in Edmonton this weekend and will get us the Ketchup/Mustard packages, foil sleeves for hamburgers and napkins. She will also look into chip options as Lays is no longer available for donation. If the chips are not a go, Sheri will call the Cineplex for popcorn. Jodi will grab some gluten free buns as well.

Staff Appreciation: Loaded Cravings truck is booked and preorders will be made.

RJ's Fundraiser: We will table this until next school year.

Retiring/Departing Staff: We will have an offline discussion as there are some attendees at this meeting.

Parent Association Report: Fence is going up in preparation of the ground breaking for the new school. The project is about \$30,000 over budget due to tariffs and inflation.

Teacher Report: Nothing to report other than a big thank you from teachers.

Principal Report:

Staffing Update: We currently have 4 staff leaving: Mr. Young, Mrs. Graf, Mrs. Getz & Mr. Topp. The jobs are posted and interviews are happening for 2x Grade 5 classes and Phys. Ed. There will be no vice next year and there are some other teachers shuffling around to fill in the gaps.

Meet the Teacher: The date is set for August 27 from 5:30-7:30pm with the Knights of Columbus providing hot dogs, chips and water. They will have the gym set up with information tables for Parent Council, Health and Wellness, Volunteering Opportunities, How to use Student Cash, Etc.
